

6 Steps to Building a Better Business & 5 Profit strategies!!!!

ActionCOACH
business coaching

A workshop
for
success-oriented business owners
&
entrepreneurs

Presented by Action Business Coach

Jerome Jacobs

- Learn how to **work on your business** instead of in your business
- Learn how you use Action's 5 ways to **increase your profits by 61%**
- Learn how to leverage your time, team and knowledge to **maximise results**

In addition to learning proven business techniques, you will also learn tips you can use NOW to:

- Motivate, recruit, and retain exceptional employees
- Systematize your business to provide consistent, exceptional, customer service
- Learn how you can turn your advertising dollars into an investment rather than an expense

Space is limited to the first 37 business owners,
