

Welcome. Welcome. Welcome.

God's call on Windsor Park is to serve our community and we are delighted to have this opportunity to welcome you to all that is happening and all that is to happen here at Windsor Park.

You will see from the contents of this pack, that we are a diverse bunch reaching out to all people, all cultures and all families here on the North Shore of Auckland.

We take our roll seriously within our community as we strongly endeavor to uphold the standards that 'Christ' has set, bringing family life to the fore, providing teaching that is relevant to life in the 21st century and not bringing judgment but instead bringing Christ's love to all His people.

You will have seen people wearing yellow lanyards. Their express roll is to assist every one and we welcome your questions and the opportunity to share our vision going forward.

Enjoy our Café. You will find two vouchers for Coffee or the refreshment of your choice within this pack.

We look forward to making your visit with us a complete experience, in that you will feel at home at last.

Blessings,

Grant Harris
Senior Pastor
